Instructions

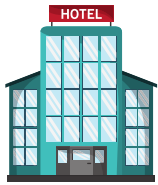

You already know your destination.
Now, it's time to organize the trip!

1

Find your flights. You need to specify **the time of flights, dates and total amount**. Webs you can check: skyscanner, edreams or rumbo.

2

Look for an accommodation. You need to know the **location, distance to the airport, n° of nights, and price**. Interesting sites: airbnb and booking.

3

Check the weather forecast for your trip. You need to know the **temperatures and general weather**.

4

Prepare your suitcase. **Make a list** with everything you need for your trip.

5

Plan your itinerary. Mention everything you want to visit every day. Include opening times, prices, important facts...

6

Look for interesting information: **language spoken, rules, traditions, gastronomy, currency...**

7

Write down the **total amount of money** you are going to need for your trip.
