

3RD ESO SPEAKING EXAM (1ST TERM)
"BECOME A TOUR GUIDE"

In this term we are going to become a tour guide. And for that, we need to make a video of the tour we decide (city / town of the area or natural wonder with different activities)
You work individually or in pairs (each person must speak for 90 seconds).

Find the instructions here:

- Become a tour guide of Ibi, Alicante, Alcoy... and mention the must visit places to visit as if you were the guide.
- Become a tour guide of a Natural Park, Wonder... Explain the sports you can practice there.
- Of course that you can write (handwriting in your notebook) a script for your video.

As for grammar and vocabulary:

- You need to speak for about 1,30 minutes, and so needs to last your video.
- In your video you need to use the same grammar and vocabulary (plus connectors) as in the writing success criteria. This will be 7 points of the mark.
- Fluency, presentation and correction while speaking will be 2 points of the mark.
- Originality and involvement in the video (technically and phonetically) will be 1 point.
- Remember you have to structure your video, for that, you will need to use the connectors you can find in Aula Virtual (this is part of vocabulary).

You have to send your video in .mp4, .mov, .avi, .wmv. Send it to my email esterbernabeu@sjysp.net using googledrive, wetransfer, pendrive.
Videos I can't open will be assessed as 0. Videos I do not receive, will be a 0.

When in doubt, ask your teacher before deadline!
